

SPEAKING PACKET

2022

PARATUSGROUP
PREPARE TO SURVIVE

CONGRATULATIONS, YOU'RE TAKING THE STEPS TO SAVE A LIFE.

Thank you for your interest in booking Brian for your next speaking event. Brian and his unique experience and expertise have revolutionized how situational awareness is trained and learned allowing the opportunity for every single member of our communities, the true first responders to be "Prepared to Survive."

This speaking packet highlights the 3 keynote speeches that are offered. Please choose one topic that you are interested for your event. When you are ready to book your speaking event, simply click on the booking button to be linked to Paratus Group's website where you can fill out a short interest form regarding your event.

"...LEAVES YOUR (AUDIENCE) READY TO TAKE ACTION"

"Brian is an amazing speaker. His talk on Safety and Situational Awareness has never been more timely. He's the type of speaker who engages his audience from the minute he takes the stage and leaves them ready to take action!"

- JEFF CRILLEY, CEO

1

SAVE A LIFE

REDEFINING HOW SAFETY IS LEARNED- PREPARING TO SURVIVE IN TODAY'S REALITY

Developing your 10 critical skills is an imperative part of training for your success in learning and practicing situational awareness. Without the development of situational awareness habits, behaviors and mindset, you will not be able to prevent dangerous situations from happening, and may indeed find yourself in situations you are not trained or prepared to respond to.

KEYNOTE TAKEAWAYS:

- Learn what situational awareness entails and why it's important to learn
- Learn how technology plays a role in both the existence and mitigation of these risks
- Learn how to prepare themselves to make critical decisions when it matters most

BOOK SPEAKING EVENT

2

10 CRITICAL SKILLS

10 CRITICAL PERSONAL SKILLS - LEARN & DEVELOP SITUATIONAL AWARENESS

This presentation will introduce you to the threats you face today, and will go into detail about what the 10 Critical Skills are, how they must all work together and be related, and how it applies to your Situational Awareness Mindset and Behaviors.

KEYNOTE TAKEAWAYS:

- Learn what situational awareness entails and why it's important to learn
- The 8 Critical Personal Skills that need to be developed
- Learn how to prepare themselves to make critical decisions when it matters most

BOOK SPEAKING EVENT

3

SAVE A LIFE- LEARN TO SHARE YOUR TESTIMONY

Sharing your testimony is a power event in your life. There is a process that you go through developing your testimony so that it resonates with others to plant the seed to Jesus.

Here is the problem. If you don't have Situational Awareness and well developed 10 critical skills, you will miss the opportunities to share your testimony, because it is critical that you tailor it to the person

KEYNOTE TAKEAWAYS:

- Learn what situational awareness entails and why it's important to learn this critical skill
- Learn how and why you need situational awareness to share your testimony and how to use this critical skill and associated 10 critical skills to be successful
- Learn and understand the threats we face today
- Learn how technology plays a role in both the existence and mitigation of these risks
- Learn how to be prepared to Save a Life

BRIAN SEARCY

COL (RET) USAF

Brian Searcy is the President of The Paratus Group. His vision for The Paratus Group is to “Redefine How Safety is Learned” to make schools, churches, workplaces, and communities as safe as possible. His unique experience and expertise, with the help of The Paratus Group Team, have revolutionized how situational awareness is trained and learned allowing the opportunity for every single member of our communities, the true first responders, to be “Prepared to Survive”. This is critical to understanding what “Left of Bang” means and how the learning of situational awareness empowers you to Prevent incidents from happening ensuring that you and your family are not victims.

Following a decorated senior leadership career in the USAF as a commander and combat veteran, Brian transitioned into executive roles as a business entrepreneur, writer, publisher and public speaker. He co-founded The Paratus Group in 2019 with the objective of using his decades-tested and proven leadership and training experience to solve a need for relevant, effective, trustworthy principles, training methodologies and programs to allow for the learning of situational awareness. The situational awareness mindset and behaviors that are developed allows critical decisions to be made in the the complex dynamics of the home, schools, the workplace and our communities to make us all safer.
